

## SCHOOL BROADCAST PROGRAM

The NFHS Network, in partnership with schools nationwide, provides unique access to high school sports and activities.

The NFHS Network School Broadcast Program provides your school with the software and tools you need to produce and broadcast professional grade events over the internet. Broadcast live coverage of your school sports, graduations, news, guest speakers, interviews and award ceremonies.

### COMMUNITY

Provide full coverage of your high school events to fans and families, whenever and wherever they want

### FUNDRAISING

Raise valuable funds for your school through our revenue share subscription plan options and potential sponsors

### SUPPORT

Stay supported with a dedicated Account Manager and our Production Support team

## STUDENT PRODUCTION

We provide students online tools and a simple software platform to produce and stream their own broadcasts.

- Broadcast your school sports and events with your existing broadcast equipment connected to our technology platform
- Provide your students with real-world experience in the broadcast journalism industry

## AUTOMATED PRODUCTION

Pixellot and the NFHS Network offer a new hardware/software solution that enables automated live event production.

- No people required
- Auto-tracking feature enables cameras to follow the action with panning and zooming
- Scoring device plugs into scoreboard for automated score graphic in broadcast
- One-time, permanent installation
